***– Local law firm supports executive mentorship –***

San Diego, CA – January 30, 2006 – The Chairmen's RoundTable (CRT), a San Diego-based, non-profit volunteer organization that provides gratis business advice and mentorship to local, private businesses, today announced that Procopio, Cory, Hargreaves & Savitch LLP, the fourth largest business law firm in the region, has signed on as a CRT sponsor.

"The partnership between Procopio and the Chairmen's RoundTable is an ideal collaboration for our clients," said Procopio partner Mike Changaris. "The mentoring program is similar to a highly experienced board of advisors and assists our established clients in getting past difficult roadblocks and through what appear to be insurmountable challenges so they can continue growing."

"Our sponsors partner closely with us to carry out our mission of executive mentorship," said Tom Dorosewicz, Chairman of the CRT. "They are our primary source for spreading the word about our organization and identifying clients that could most benefit from our mentorship program. I have no doubt that Procopio, with its deep roots in the region and strong client relationships, will be able to help us reach our goal of mentoring 40 companies this year. It is our belief that with each company mentored, not only the company but the San Diego economic community benefits as well."
